We are a faith-based humanitarian organization dedicated to awakening the greatness that dwells in everyone as we allow God’s love to shine through us. Our mission is to ERADICATE local and global poverty. We assist distressed schools and orphanages in order to redevelop them. We seek to collaborate with various individual partners and corporate sponsors on events that generate funding. The focus of “God’s Love in Kenya” is to create sustainability programs that enhance people’s quality of living.

This trip our areas of support are:

1. Provide Tuition, School Supplies, Uniforms, and Teacher Salary Subsidies
2. Purchase Dairy cow to generate ongoing milk production for nutritional supplement
3. Dig Bore Holes (water wells)
4. Fund School Building Expansion
5. Purchase Maize grinding machine for ongoing food supply
6. Facilitate Educational Workshops

With your help we are able to support various local and global programs and provide the necessary tools for sustainable living. Show your love by making your financial contribution TODAY!
